>> PORTO RANGE

>> PORTO HALOGEN SPOTLIGHT

>>> SPECIFICATIONS

- Aluminium body case
- Lantern body and parts treated with anti-corrosion resin
- Carry strap included
- Halogen bulb 5.2V / 0.85A
- Range: 450m
- Swivelling head 120°

>> PORTO SPOTLIGHT WITH LED

>>> SPECIFICATIONS

- New LED generation for industrial use.
- Long run time. LEDs operate even on low battery level.
- Batteries are fully utilised when used with LEDs (96 hours).
- Run time of 4 days minimum (continuous) with an alkaline battery.
- The lifetime of one LED is 250x more than one halogen bulb.

EXCLUSIVE

LED lighting

Halogen lighting

>> RECHARGEABLE BATTERY (COMPATIBLE WITH HALOGEN & LED)

>>> SPECIFICATIONS

- Lighter: 25% less weight
- Replaces the standard battery on all Porto spotlights (6V).
- Allows a constant flow of light during use.
- With a 5.2V/0.85A halogen bulb, the light is 25% superior to a zinc cell and identical to an alkaline cell.
- **Due to its capacity, the battery can operate for 8 hrs.**
- The battery can undergo the number of cycles equivalent to 160 alkaline cells or 500 zinc chloride cells >>> economical.
- Longevity, which minimises the recycling of products >>> environmentally friendly.
- An integrated control system in the battery controls the charge.

PART NO.	DESCRIPTION	COMPOSITION	TYPE OF LIGHTING	TECHNOLOGY
COMPLETE PORTO PACKS				
1	ETX0005 Porto halogen rechargeable	Spotlight + recharg. NiMh 6V/8AH + charger (EU plug)	Halogen 5.2V	Rechargeable NiMh
	KEP0001 Porto halogen with alkaline battery	Spotlight + alkaline battery + metal case	Halogen 5.2V	Alkaline battery
2	ETX9004 Porto halogen with zinc chloride battery	Spotlight + zinc chloride battery	Halogen 5.2V	Zinc chloride battery
PORTO SPOTLIGHTS				
3	ETX0006 LED Porto	Porto spotlight without battery	LED luxeon 2W	
3	ETX1002 Halogen Porto	Porto spotlight without battery	Halogen	
BATTERIES FOR PORTO SPOTLIGHT				
4	ARH0001 Rechargeable NiMh 6V/8Ah	Rechargeable NiMh 6V/8AH		Rechargeable NiMh
5	PRA9003 Porto battery 4LR20-2	Porto alkaline metal case		Alkaline battery
6	PRS9001 Porto battery 4R25-2	Porto zinc chloride plastic case		Zinc chloride battery
7	PRS9007 Porto battery 4R25-2	Porto zinc chloride metal case		Zinc chloride battery
BULBS FOR PORTO SPOTLIGHT				
	ONX61278 12V xenon bulb	12V xenon bulb	Xenon 12V	
	ONX6134 4.8V xenon bulb	4.8V xenon bulb	Xenon 4.8V	
	OHG9001 5.2V halogen bulb	Blister of 2 halogen 5.2V bulbs	Halogen 5.2V	
ACCESSORIES FOR PORTO RECHARGEABLE SPOTLIGHT				
	ARH0002 Rechargeable battery + charger	Rechargeable NiMh 6V/8AH + charger (EU plug)	110/220 (Charger)	
	CEH3014 Charger for rechargeable Porto	Charger (EU plug)	110/220 (Charger)	

*Please note EU plug, adaptor required.
